CONDITIONS OF SALE:

1. The highest bidder to be the buyer, and if any dispute arises between the bidders, the decision of the Auctioneer shall be final, or at his discretion the lot in dispute shall immediately be put up again and re-sold. The Auctioneer reserves the right of refusing the bid of any person and regulates the bidding, and no bidding is to be retracted

2. The purchaser to give their names and places of abode in writing and pay the full purchase money for each lot at the fall of the hammer (if required); in default of which the lot or lots so purchased may immediately be put up again and re-sold

3. No lot or lots shall be removed from the premises before the sale, or till paid for, but each and every lot shall, immediately at the fall of the hammer, be considered as delivered, and be and remain in every respect at the absolute risk of the respective purchaser or purchasers thereof, and shall be removed from the place of sale at the purchaser's expense

4. If any purchaser shall fail to comply with the above conditions, or any part of them, the Auctioneers shall be at liberty to either recover in full the amount of the lot or lots bought by such purchaser, without reference to any delivery or acceptance of the lot or lots other than the first delivery by the fall of the hammer, or to re-sell any lot or lots bought by the purchaser, either by public or private sale; and the full amount of the purchase money at the present sale, or the deficiency (if any) arising from such second sale, shall be made good by the defaulter at the present sale, and be recoverable as and for liquidated damages

5. No money will be paid to the proprietor for any lot sold, unless the account be cleared by the purchaser, and the Auctioneers will not be answerable for any deficiency that may arise on the re-sale of any uncleared property

6. Animals are present on the sole responsibility of owners, whose duty it is to keep each exhibit under proper control at all times, whether in pen or in show or sale rings, or in transit within the centre. Neither the Auctioneers, the Organisers nor the sponsors, nor any of their officials or employees will be liable for damage or injury caused by animal's behaviour, including overnight

7. Purchasers are to understand, that although every reasonable precaution will be taken to ensure the safety and welfare of the animals exhibited, the Auctioneers will not be responsible for loss, or accidents of any kind, that may occur. Nor will the Auctioneers or vendors be accountable for any accident that may occur to any person attending the sale, whether as a visitor, or in any other capacity.

8. The pedigree, history and description of each animal is guaranteed by the owner, and no liability whatsoever is undertaken by the Auctioneers for the statements in the catalogue or announcement made at the time of sale. The vendor who supplies such statements is alone responsible

9. No undertaking of the Auctioneers or vendors or their servants to take charge of the lots or animals for sale, or to forward them to their destination, shall be held to impose any legal obligation or vitiate any of the foregoing conditions

10. Any medical treatment to any animals must be advised to the Auctioneer for announcement at time of sale. The presence of any chemical or pharmaceutical substance in or on an animal or in its milk during the withdrawal period may render its sale void

11. Should any question arise not provided for in the foregoing conditions, the decision of the Auctioneers shall be final, from which there shall be no appeal

12. Neither the Auctioneers nor the Sponsors incur liability for the return of Auction Fees where a claim is made for return of purchase price of any Lot sold at the Sale

13. The sale will be conducted in guineas. Purchasers will pay VAT on Fees

14. After Sale release of livestock or goods is by Pass Out issued by the Sale Office. This also includes unsold lots

15. Each and every lot must be presented for sale in the auction ring in catalogue or numerical order. No sale may be contemplated before such presentation. Lots not sold in the auction and subsequently sold privately on the premises must be recorded through the Auctioneer's office and are subject to commission

16. No electrical device may be connected to any socket in the show or sale premises unless it is fitted with an approved circuit breaking control. All equipment must be in an up to date state of safety. Note: Sockets on sale rostrum are not suitable for blow driers

17. Chairman and Vice Chairman to inspect but if appeal charge of Vet Fee must be lodged by breeder with appeal. If successful Society pays if Unsuccessful Breeder pays

NOTE: No animal is considered to be delivered to the Show and Sale until placed in the pen or place of lying allotted. Access doors will permit vehicles and trailers to enter the building for unloading or loading. Delivery to purchaser will also be effected when purchaser removes the animal from the pen, or otherwise takes charge of the animal. Under no circumstances may any animal be taken out of the building for loading. The trailer or loader must be backed inside the doorway and the screen doors closed to the vehicle. Please remember to collect your Movement Permit before leaving. And please remember that a new purchase should be introduced to company when taken home – and not placed in solitary confinement on arrival in strange surroundings after transport
