However, HDSBA retains the right to grant re-use of the flock name on consideration of special circumstances. There will be no need for the sheep to be inspected and where applicable, the sheep will be sold at the end of the sale.
9.1 At a reduction sale all sheep presented for sale will have to be inspected by an HDSBA Inspector. The sheep will be sold in the appropriate sale classes.
10.0 Neither the Auctioneers nor HDSBA can accept responsibility for any errors or omissions
10.1 Neither the Vendor nor the Auctioneers nor HDSBA will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
