# MV – NOTE FOR BUYERS

## ALL ENTRIES ARE FROM MV ACCREDITED FLOCKS

Entry to HDSBA sales and almost all major Agricultural Shows with Hampshire Down classes is limited to Maedi Visna accredited sheep only. So if you are interested in selling or showing Hampshire Downs it is important to maintain/achieve MVA status by following good isolation procedures upon return and during transportation, following the scheme rules.

For rules of the MVA scheme and guidance on joining visit

[https://www.sruc.ac.uk/downloads/file/3086/mv\\_rules\\_and\\_conditions](https://www.sruc.ac.uk/downloads/file/3086/mv_rules_and_conditions)

All buyers should remember that the rules require that purchased MVA stock over 12 months old must be tested within 12 months of arrival even if joining an accredited flock.

## Hampshire Down Breed Benchmark 2021

Estimated Breeding Values (EBVs) and Indexes for Terminal Sire breeds have been updated. Signet's new monthly, mixed breed analysis increases the commercial focus of existing traits and introduces a series of new EBVs.

### Key Changes

**Rebasing** - EBVs and indexes have been rebased and are expressed relative to the average animal in 2010.

**Weight adjusted traits** - Please note that carcass traits are now weight adjusted. This means that EBVs are a better prediction of carcass composition at a fixed weight as opposed to the previous method of adjusting for age.

	<b>Average</b>	<b>Top 25%</b>	<b>Top 10%</b>	<b>Top 5%</b>
<b>Scan Weight EBV</b>	3.07	4.62	6.01	6.84
<b>Muscle Depth EBV</b>	0.24	0.67	1.06	1.29
<b>Fat Depth EBV</b>	-0.18	0.03	0.22	0.33
<b>Gigot EBV</b>	0.39	0.77	1.12	1.33
<b>Terminal Index</b>	166	202	235	255

- **Scan Weight (kg)** – EBV for growth to scanning.
- **Muscle Depth (mm)** – EBV for muscling across the loin at a fixed weight.
- **Fat Depth (mm)** – EBV for fatness across the loin at a fixed weight.
- **Gigot Muscularity (mm)** – EBV for width of gigot at a fixed weight.
- **Terminal Index** – Superior breeding potential for growth and carcass characteristics.

# SPECIAL CONDITIONS

## **ALL ATTENDING THE SALE MUST READ**

### **ALL VENDORS**

1. All entries are sold under the L.A.A. conditions of sale, a copy of which is displayed in the main office.
2. All entries must be the bona fide property of the vendor, identified by ear tag or tattoo and correspond accordingly with the entry catalogued
3. Only animals fully registered with the appropriate breed society/registration authority are eligible for the show & sale.
4. Rejected Sheep will not be sold at any time at Official Shows & Sales
5. Exhibitors are requested to wear white coats during judging and when selling stock. Exhibitors are solely responsible for presenting their own animals for show. Vendors or authorised representatives must be in the sale ring at the time their animals are offered for sale.
6. All sheep will be sold in guineas (105 pence) and commission of 5% will be charged. Minimum commission – sheep £1.30 per head.
7. All stock will be numbered and sold in catalogue order. Entries will be balloted prior to compilation of the catalogue.
8. Prize money will not be paid on stock that is unsold.
9. **All livestock must be on the Auction Mart premises no later than 2.30pm. The mart will be open from 12.00noon on Friday 30<sup>th</sup> August 2019.**
10. PEDIGREE & GENOTYPE CERTIFICATES – must be handed in at the Office with correct lot number on if not already sent in with entry form
11. M.V. Accredited sheep will only be allowed into the accredited section if accompanied by a current SAC certificate of status.
12. **All sheep/goats** must be accompanied by a **DEFRA AML1 FORM.**

#### **VENDOR UNLOADING DETAILS**

Vendors of Non MVA Sheep unload **ALLEY 3 & 4**

## **DO NOT BED PENS WITH STRAW or SHAVINGS**

### **Purchasers**

#### **All livestock must be removed on the day on sale**

When collecting your invoice you must have a holding number and address details for the destination of the sheep you have purchased

### **TIME TABLE**

**Livestock sold in catalogue order**

**Sale 11.00am – Main Ring**
