The Auctioneer reserves the right of refusing the bid of any person and regulates the bidding, and no bidding is to be retracted.**

3. **No lot or lots shall be removed from the premises before the sale, or till paid for, but each and every lot shall, immediately at the fall of the hammer, be considered as delivered, and be and remain in every respect at the absolute risk of the respective purchaser or purchasers thereof, and shall be removed from the place of sale at the purchaser's expense.**
4. **If any purchaser shall fail to comply with the above conditions, or any part of them, the Auctioneers shall be at liberty to either recover in full the amount of the lot or lots bought by such purchaser, without reference to any delivery or acceptance of the lot or lots other than the first delivery by the fall of the hammer, or to re-sell any lot or lots bought by the purchaser, either by public or private sale; and the full amount of the purchase money at the present sale, or the deficiency (if any) arising from such second sale, shall be made good by the defaulter at the present sale, and be recoverable as and for liquidated damages.**

8. **The pedigree, history and description of each animal is guaranteed by the owner, and no liability whatsoever is undertaken by the Auctioneers for the statements in the catalogue or announcement made at the time of sale. The vendor who supplies such statements is alone responsible.**
9. **No undertaking of the Auctioneers or vendors or their servants to take charge of the lots or animals for sale, or to forward them to their destination, shall be held to impose any legal obligation or vitiate any of the foregoing conditions.**
10. **Any medical treatment to any animals must be advised to the Auctioneer for announcement at time of sale. The presence of any chemical or pharmaceutical substance in or on an animal or in its milk during the withdrawal period may render its sale void.**
11. **Should any question arise not provided for in the foregoing conditions, the decision of the Auctioneers shall be final, from which there shall be no appeal.**
12. **Neither the Auctioneers nor the Sponsors incur liability for the return of Auction Fees where a claim is made for return of purchase price of any Lot sold at the Sale.**
